3. The team will be the 4 players with the best Gross Stableford total for their best 4 rounds from all rounds played in the above events.
4. Players may select which events they wish to enter, but it is suggested they play as many of the stipulated trial rounds as possible.

All representative teams in 2019 are required to pay a player contribution towards the costs of attending inter-provincial fixtures. The player contribution for the Women's Masters is \$150.00 per player
